**PLEASE BE PREPARED TO PRESENT PHOTO IDENTIFICATION
AND INSURANCE INFORMATION AT EACH VISIT**

Effective immediately, our front office staff will be asking patients to present photo identification (i.e., driver's license, passport, military ID, etc.) and insurance cards for each visit.

Patient identification is necessary:

- To help ensure proper identification of the patient to facilitate proper care now and in the future.
- To protect the patient against possible identity theft.
- To ensure compliance with state and federal laws and regulations protecting the security of patient information.

Patient insurance cards are necessary:

- To ensure proper billing of insurance.

Digestive Health Clinic's goal is to protect you, our patient, against potential identity theft.
